

20 22

ALL-AMERICAN NOMINATIONS

The 2022 All American contest is the 57th in this annual competition. The judges of the 6 National Shows placed 151 individuals and 25 groups to narrow the nomination field. There were 103 single entries and 17 group classes approved to move forward in this competition. Between the 874 head that were presented at National shows and the additional twenty-nine qualifying shows, there was plenty of superior entrants to work with! The new Summer Junior 2-Year-old class had 8 entries and produced a 3-way tie in the nomination process. The tie breaker solved one tie. The remaining two cows had exactly the same votes, so both were included, making a class of seven.
