

Brown Swiss Historical Society

Introduction

The Young Breeder Award was established in 1991, with the first award being presented in 1992 at the National Convention. The Young Breeder Award recognizes an individual or member and spouse who have shown an expertise in dairy farming and Brown Swiss cattle breeding., participated in Association programs and events, and held leadership roles in the community both in agricultural and non-agricultural organizations. Candidate must be 40 years of age or under as of January 1 of award year; be an active association member for at least 5 years; and have been nominated by a state officer or five-year active national member (in states with no association).

Visiting the Past ...
