- 2.) An animal must have stood first or second at a junior show and must have been shown by the junior.
- 3.) Animals entered in the National Junior Bell Ringer Program must be registered in the Official Herdbook, including CIE animals (white registration certificate with green border) or Second Step of the Identity Enrollment Program (IE green certificate with black border). The animal must be registered before the show with the Certificate of Registry available for inspection at the show.
- 4.) If joint ownership, one of the owners must be declared the exhibitor during check-in. Awards will be presented as one unit, to all owners equally. RESPONSIBILITIES

For State Bell Ringer contests, each state association should establish a deadline for entries. State entries should be sent to an officer or committee chairman of the state association.

The state association is responsible for appointing a special committee to select the State Bell Ringer and Reserve State Bell Ringer in each class as soon as possible after the shows are completed and the pictures are available. A state officer or committee member is responsible for seeing that the State and Reserve Bell Ringer selections, properly identified and with the aforementioned label affixed to the back of the pictures, are sent to the National Office by December 15.

It is not necessary to participate in or win a state contest to participate in the national contest; however, for those that do win at the state level and are interested in competing in the national contest, both State and Reserve pictures can be sent; remember the picture with the label attached is the entry. State Bell Ringer certificates will only be furnished for those animals for which an entry (i.e. picture) was sent to the National Office and which met all qualification requirements. Juniors living in states that do not hold state contests should send their entries directly to the national office.

JUDGING AND AWARDS

The State Bell Ringers and the Reserve State Bell Ringers will be recognized in the January issue of the *Brown Swiss Bulletin*. Each state is responsible for contacting the *Bulletin* if they want their state winners published.

Owners of the State and Reserve Bell Ringers will be awarded certificates by the corresponding State Brown Swiss Association.

The National Junior Bell Ringer and a Reserve winner will be selected in each class. An Honorable Mention can be awarded in a class at the judges' discretion. Winners will be chosen by a committee of three judges from the National Approved Judges List. Entries will be judged on pictures and Junior Show placings. The National Bell Ringer selections will receive a plaque and be published in the April issue of the *Brown Swiss Bulletin*.
